Northeast National Brokerage Hires Robin Pisecki As Executive Underwriter

Medford, Ore. – October 16, 2018 —Northeast National Brokerage, LLC (NNB), a managing general agent and Lloyd's coverholder specializing in excess liability coverage for the petroleum distribution industry, today named Robin Pisecki as executive underwriter.

In this newly created position, Pisecki will be responsible for underwriting excess liability coverage for the MGA's growing petroleum distributor division, alongside NNB President Jack Kramer and Vice President Keith Jackett. She also will assist in development of new programs that fit within NNB's core suite of products.

"Robin is recognized and well-respected within the insurance industry for her expertise in the petroleum sector and we are very excited to have her on our team at NNB," said Kramer. "Robin is a natural fit to enhance our underwriting efforts. We now are positioned for substantial growth within the petroleum sector, as well as in other new ventures."

Pisecki comes to NNB from Rockhill Insurance Company, a member of State Auto Group, where she worked as specialty lines director, managing a large primary book of petroleum distribution business.

Robin's extensive experience includes a long career at Willis Towers Watson Inc. There, she held various positions including retail account manager, vice president, program manager for various programs and finally president of Willis Programs of Connecticut where she managed a team of underwriters focused on programs for petroleum distributors, truck body manufacturers, natural gas utilities and more.

Pisecki has certifications and designations that include Chartered Property Casualty Underwriter (CPCU), Associate in Risk Management (ARM), and Target Markets Certified Program Leader (CPL).

Northeast National Brokerage, LLC

Northeast National Brokerage, LLC is a managing general agent and coverholder at Lloyd's of London serving retail insurance agencies and wholesalers. NNB specializes in providing excess liability for the petroleum distribution industry and stand-alone automobile terrorism for commercial fleets. Based in Medford, Ore., with an additional office in Bloomfield, Conn., NNB also accesses top-tier E&S markets to support and augment its proprietary London programs.
